

Dear friends,

The Church Pension Group, as Recorder of Ordinations, continues to collect data on race, ethnicity, gender identity, and sexual orientation from all clergy. This voluntary, though crucial, initiative seeks to provide our Church with comprehensive insights regarding ordinations, deployment, and compensation.

To date, over 2,350 active clergy have responded to the call and updated their information in MyCPG Accounts.

We are now trying to gather responses from 500 more actively employed priests and bishops and your unique input will greatly enhance the accuracy and depth of our data.

Please follow these three easy steps to provide your information:

1. Log in to [MyCPG Accounts](#) 
2. Click “Clergy Information”
3. Go to “Church Reporting”

Joining with us in this significant data collection effort will benefit the Church both now and into the future.

With thanks in advance for your support,

The Revd Clayton D. Crawley
Executive Vice President
Chief Church Relations Officer
