- cause coverage to begin or continue for You when the coverage would not otherwise be effective; or
- continue benefit payments under the policy that otherwise should validly terminate.

CONTINUITY OF COVERAGE

(Transferred Coverage from a Prior Plan to this Plan)

This provision provides continuity of coverage when You are in Active Employment when the Policyholder transfers prior group insurance to this plan, or by an employer which has merged with or otherwise combined with the Policyholder. If Your coverage under the policy replaces any prior coverage that You had, the following rules apply.

What if You are not in Active Employment when Your Employer Replaces Insurance Coverage with Our Policy? (Continuity of Coverage)

If You are not in Active Employment due to Injury or Sickness on the date Your Employer changes insurance carriers to Our policy, and You were covered under the Prior Policy at the time Your Employer's coverage under Our policy became effective, We will provide continuity of coverage under Our policy. In order for this provision to apply, the Prior Policy's coverage must be similar to Our policy.

If You are not in Active Employment due to Injury or Sickness on the effective date of Our policy, and You would otherwise be eligible to become insured under Our policy, We will provide Limited Coverage under Our policy. Coverage under this provision will begin on Our Policy Effective Date and will continue until the earliest of:

- the date You return to Active Employment; or
- the end of any period of continuance or extension provided under the Prior Policy.

If You are not in Active Employment due to Leave of Absence or Temporary Layoff on the date Your Employer changes insurance carriers to Our policy, and You were covered under the Prior Policy at the time Your Employer's coverage

under Our policy became effective, We will provide continuity of coverage under Our policy. In order for this provision to apply, the Prior Policy's coverage must be similar to Our policy.

If You are not in Active Employment due to Leave of Absence or Temporary Layoff on the effective date of Our policy, and You would otherwise be eligible to become insured under Our policy, We will provide Limited Coverage under Our policy. Coverage under this provision will begin on Our Policy Effective Date and will continue until the earliest of:

- the date You return to Active Employment; or
- the end of any period of continuance or extension provided under the Prior Policy; or
- the date coverage would otherwise end, according to the provisions of Our policy.

Your coverage under this provision is subject to payment of premium.

For the purposes of this provision the following definition applies:

Limited Coverage means benefits payable will be paid as if the Prior Policy had remained in effect and You continued to be insured under that policy. We will reduce Your payment by any amount for which the prior carrier is liable.

If coverage ends under this provision, or if You were not covered under Your Employer's Prior Policy on the date that policy terminated, the Effective Date of Your Insurance provision will apply.

If You Have a Disability Due to a Prior Disability After Your Employer Replaces Insurance Coverage with Our Policy (Credit for a Prior Disability)

You do not have to complete the Elimination Period under this plan if, after Your disability ended under the Prior Policy for which You received a disability benefit, You:

- are not eligible for successive benefits under Your prior carrier's policy; and
- returned to work for Your Employer for 14 consecutive days or less; and
- become disabled under the terms of this plan due to the same cause(s) as Your prior disability.

We will require Proof that You received disability benefits for the prior disability under the Prior Policy.

All other provisions of Our policy will apply.

When Continuity of Coverage Ends

You will remain covered under this Continuity of Coverage provision until the first to occur:

- the date You return to Active Employment at which time insurance in effect under the policy will not be subject to Prior Plan provisions or benefit limitations;
- the last day of a period of 12 consecutive months which begins on the Policy Effective Date, at which time coverage under the policy will also end;
- the date insurance would otherwise end for You in accordance with the terms and conditions of this certificate, at which time coverage under the policy will also end;
- the date on which insurance would have ended under the Prior Plan, had the Prior Plan not terminated at which time coverage under the policy will also end; or
- if the Prior Plan provided for extension of insurance without premium payment during a period of disability, on the earliest of:
 - (a) the date You are approved for such benefit under the terms of the Prior Plan; and
 - (b) the last day of the 12- month period following the Policy's Effective Date, and coverage under the policy will also end.

Duplication of Coverage

If You qualify for benefits under the Prior Plan such that a duplication of coverage situation exists after coverage begins under the policy, You must exercise Your rights under the Prior Plan and duplicate benefits will not be payable under the policy.

Coverage under the policy will not take effect if Your coverage under the Prior Plan is continued under any disability provision or You have enrolled in a conversion plan option with the Prior Plan.

Premium Payments

Premium payments are required for all Insured Persons under this provision while the Continuity of Coverage period is in effect. We will not waive premium payments while the Continuity of Coverage period is in effect.

CONTINUATION OF COVERAGE BY THE POLICYHOLDER

The Policyholder has elected to continue Your insurance for any of the reasons specified below.

Premium payments will continue to be paid to Us by the Policyholder on Your behalf.

When Will Your Coverage Continue If You Are Temporarily Not Working?

If premium payments continue to be made on Your behalf, We may deem Your employment to continue for purposes of remaining eligible for coverage under this plan as described below.

If You Are Not in Active Employment Due to a Sickness or Injury or Other Authorized Leave

If You are not in Active Employment due to Sickness or Injury or other authorized leave as agreed to by Your Employer, and premium payments are being paid, Your coverage may continue up to a maximum of 12 weeks from the start of Your absence.

Continuation of Coverage While on a Family and Medical Leave of Absence

We will continue your coverage in accordance with the Policyholder's policy on family medical and military leaves of absence if premium payments continue and the Policyholder approved your leave In Writing.

If you were granted a Leave of Absence according to the "Family and Medical Leave Act of 1993", your coverage will continue under this provision for the balance of your leave.

Coverage will be continued until the end of the later of:

- the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
- the leave period required by applicable national, state or local law, or any similar law, plan or act.

If the Policyholder's policy does not provide for continuation of your coverage during a family and medical Leave of Absence, your coverage will be reinstated when you return to Active Employment.

Continuation of Coverage While on Leave During Military Service

We may continue Your insurance, if applicable, in accordance with the Policyholder's policies regarding leave of absence for Military service under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and applicable state law. Premiums must be paid for You to have continued coverage. Coverage may be continued until the end of the period required by USERRA. If Your coverage is not continued during a Leave of Absence for active military service, and You return to Active Employment, Your coverage shall be reinstated in accordance with USERRA and applicable state law.

Concurrent Leaves

If Your Employer has approved more than one type of Leave of Absence for You during any one period that You are not in Active Employment, We will consider such leaves to be concurrent for the purpose of determining how long Your coverage may continue under the policy.

End of a Continuation Period

Continuation Insurance will end on the earliest of the following:

- the date Your continuation leave ends;
- the date the Policyholder ceases to pay Your premiums, or otherwise terminates Your insurance;
- the date You cease to pay Your premiums, or You terminate Your insurance;
- the maximum continuation period has been reached; or
- the date the policy or this plan terminates.

At the end of any of a continuation period if You resume Active Employment in an Eligible Class You will continue to be covered under the policy.

If You do not resume Active Employment in an Eligible Class at this time, Your employment will be considered to end, and all insurance will end in accordance with the provision Date Insurance Ends.

In no event will Your coverage under the policy be continued beyond the date Your coverage would otherwise end according to the terms of the When Does Your Coverage End provision.

DATE COVERAGE ENDS

When Does Your Coverage End?

Your coverage under this certificate ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date You are no longer in an eligible class;
- the date You are no longer eligible for coverage;
- the date Your eligible class is no longer covered;
- the last day You are in Active Employment except as provided under the covered layoff or Leave of Absence provision;
- Your employment stops for any reason, including job elimination, or being placed on severance. This will be the date You stop Active Employment;
- the date on which You retire; or
- the date on which You begin active duty in the armed forces of any country.

Reinstatement of Coverage

If Your coverage ends, You may apply to reinstate coverage subject to the rules described below.

To apply for reinstatement of Your coverage You must submit:

- written application to Us on a form provided by Us, and
- Evidence of Insurability including good health satisfactory to Us; and
- payment of all overdue premiums.

You must be in an Eligible Class and in Active Employment. The Policyholder must provide a Written request for reinstatement within 31 days from the date You return to Active Employment.

If We approve Your request, You will be notified of Your reinstatement date.

The amount of insurance reinstated will be the lesser of the amount of insurance You previously had upon termination of Your coverage, or the maximum amount available for Your Eligible Class on the date of reinstatement, unless:

- Your Evidence of Insurability is not satisfactory to Us;
- You have not paid all overdue premiums;
- You are not in an Eligible Class; or
- the policy or this Plan has been terminated.

SHORT TERM DISABILITY INCOME BENEFIT INFORMATION

How Do We Define a Short Term Disability?

You are considered to be disabled if, solely and directly because of a Sickness or Injury, all of the following applies:

- You must be covered by this plan at the time You become disabled;
- You must be under the Regular Care of a Physician for Your Sickness or Injury; and
- You must meet the conditions of disability below.

During the Elimination Period, You are disabled when it is determined that due to Your Sickness or Injury:

- You are unable to perform the Material and Substantial Duties of Your Regular Occupation; and
- You have a 20% or more loss in Your Weekly Earnings.

After the Elimination period, You are disabled when it is determined that due to Your Sickness or Injury:

- You are unable to perform the Material and Substantial Duties of Your Regular Occupation; and
- You have a 20% or more loss in Your Weekly Earnings.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We will assess Your ability to work and the extent to which You are able to work by considering the facts and opinions from Your Physicians and Physicians and medical practitioners or vocational experts of Our choice.

We may require You to be examined by a Physician, other medical practitioner and/or vocational expert of Our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require You to be interviewed by Our authorized representative. Refusal to be examined or interviewed may result in denial or termination of Your claim.

ELIMINATION PERIOD

How Long Must You Be Disabled Before You Are Eligible to Receive Benefits?

The Elimination Period is the period of continuous disability You must satisfy before You are eligible to receive benefits under the policy. You must be continuously disabled through Your Elimination Period. Your Elimination Period is as stated in the Schedule of Benefits. The days that You are not disabled will not count toward Your Elimination Period.

If Your disability stops during the Elimination Period, We will not consider Your disability to be continuous.

No benefit is payable for or during the Elimination Period. You must be under the care of a Physician during the Elimination Period.

The Elimination Period begins on the first day of Your disability.

Benefits for a Payable Claim begin the day after the Elimination Period is completed.

There is no Elimination Period for claims resulting from maternity disability.

Can You Satisfy Your Elimination Period If You Are Working?

Yes. If You are working while You are disabled, the days You are disabled will count toward Your Elimination Period.

When Will You Begin To Receive Benefits?

The benefit payable is the Weekly Benefit shown in the Schedule of Benefits. The Weekly Benefit is based on Your Weekly Earnings.

You will begin to receive benefits when Your claim is approved, provided the Elimination Period has been satisfied, You are under the Regular Care of a Physician, and You are disabled as defined in this certificate. We will send You a Weekly Benefit for any period for which We are liable but not beyond the Maximum Period of Payment shown in the Schedule of Benefits. No benefit is payable during the Elimination Period.

After the Elimination Period, if You are disabled for less than 1 week, We will send You 1/7th of Your Weekly Payment for each day of Your disability.

If You are receiving or are eligible to receive benefits for a disability under a prior disability income plan that was sponsored by Your Employer or You were terminated before the Effective Date of this plan, then no benefits will be payable for the disability under the policy.

What Is the Maximum Period of Payment?

You will receive a benefit for each week You remain disabled up to the Maximum Period of Payment. Your Maximum Period of Payment is described in the Schedule of Benefits.

Recurrent Disability

If You return to Active Employment and You have a Recurrent Disability, We will treat Your disability as part of Your prior claim and You will not have to complete another benefit Elimination Period if:

- You were continuously insured under the plan for the period between the end of Your prior claim and Your Recurrent Disability; and
- Your Recurrent Disability occurs within 14 days from the end of Your prior claim and Your return to Active Employment.

Your Recurrent Disability will be subject to the same terms of the plan as Your prior claim and will be treated as a continuation of that disability.

Any disability, which occurs after 14 continuous days from the date Your prior claim ended, will be treated as a new claim. The new claim will be subject to all the policy provisions, including the Elimination Period.

If You become covered under any other group short term disability income plan, You will not be eligible for benefits under this disability income plan.

How is Your Benefit Determined?

We will follow this process to calculate Your Weekly Benefit amount:

1. Multiply Your Weekly Earnings by the Weekly Benefits percentage shown in the Schedule of Benefits.
2. The Maximum Weekly Benefit is shown in the Schedule of Benefits.
3. Compare the answer from Item 1 with the Maximum Weekly Benefit. The lesser of these two amounts is Your Gross Benefit.
4. Subtract any Deductible Sources of Income from Your Gross Weekly Benefit.

The amount figured in Item 4 is Your Weekly Benefit. The Weekly Benefit will be recalculated when You receive any new Deductible Sources of Income.

How is Your Benefit Determined if You Are Disabled and Working?

You may continue to work or return to work while You are Disabled and still be eligible to collect Your Weekly Benefit. Your Weekly Benefit may be reduced by Your Disability Earnings from the Policyholder, or another employer for which You become employed after Your disability began. As part of Your Proof of Disability Earnings, We can require that You send Us appropriate financial records that We believe are necessary to substantiate Your income.

If You are disabled and return to work, We will not reduce Your Weekly Benefit for Disability Earnings if Your weekly Disability Earnings are less than 20% of Your Weekly Earnings.

If You are disabled and Your Weekly Disability Earnings are 20% or more of Your Weekly Earnings, We will calculate Your Weekly Benefit as follows:

- 1) Add Your Weekly Disability Earnings and Deductible Sources of Income, if any, to Your Gross Weekly Benefit.
- 2) Compare the answer in item 1 to Your Weekly Earnings.

If the answer from item #1 is less than or equal to 100% of Your Weekly Earnings, We will not further reduce Your Weekly Benefit.

Total Benefit: The total benefit payable on a Weekly basis (including all benefits provided under this plan), will not exceed 100% of Your Weekly Earnings unless otherwise stated in this certificate under the specific conditions stated.

How is the Benefit Calculated if Disability Earnings Fluctuate?

If Your weekly Disability Earnings routinely fluctuate widely from week to week, We may average Your Disability Earnings over the most recent 3 weeks to determine if Your claim should continue.

If We average Your Disability Earnings, We will not terminate Your claim unless the average of Your Disability Earnings exceeds 80% of Your Weekly Earnings.

We will not pay You for any week during which Disability Earnings exceed the above amounts. The minimum Weekly Benefit will not be paid when Disability Earnings exceed the above amounts. In no event will benefits be paid beyond the Maximum Period of Payment.

What Are Deductible Sources of Income And How Do They Affect My Benefits?

Deductible Sources of Income are other income benefits You are eligible to receive because of Your disability or retirement. These benefits are taken into consideration when Your Weekly Benefit is calculated and may reduce Your Weekly Benefit.

We will only subtract Deductible Sources of income which are payable as a result of Your disability, with the exception of retirement payments, amounts earned or received from any form of employment and amounts received from any unemployment compensation law.

We will subtract from Your Gross Weekly Benefit the following Deductible Sources of Income:

1. The amount that You, receive as disability income payments for Your disability under:
 - state compulsory benefit act or law;
 - other group insurance plan;
 - governmental retirement system as a result of Your job with Your Employer.

2. The gross amount that You, receive as disability benefits because of Your disability under:
 - the United States Social Security Act;
 - the Canada Pension Plan;
 - the Quebec Pension Plan;
 - the Railroad Retirement Act.

3. The gross amount that You receive as retirement payments, or the amount receive as retirement payments because You are receiving retirement payments under:
 - the United States Social Security Act;
 - the Canada Pension Plan;
 - the Quebec Pension Plan;
 - the Railroad Retirement Act.

This does not include benefits for any month before You reach normal retirement age, as defined under the Social Security Act, unless You choose to receive these benefits.

Benefits paid to Your former Spouse or Your Children living with such Spouse will not be included.

4. The amount that You:
 - receive as disability income benefits under Your Employer's Retirement Plan;
 - voluntarily elect to receive as retirement benefits under Your Employer's Retirement Plan;
 - receive as retirement benefits when You reach the later of age 62 or normal retirement age, as defined in Your Employer's Retirement Plan.

Disability income payments under a Retirement Plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement benefits will be those benefits that are paid based on Your Employer's contribution to the Retirement Plan. Disability income benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the Retirement Plan are distributed, We will consider Your and Your Employer's contributions to be distributed simultaneously throughout Your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible Retirement Plan. We will use the definition of eligible Retirement Plan as defined in Section 402 of the Internal Revenue code including any future amendments that affect the definition.

5. The amount of loss of time benefits that You receive or are eligible to receive under any Salary Continuation, Accumulated Sick Leave, sick pay, vacation pay, severance or other similar paid time off plans.

6. The amount You receive or are eligible to receive under any unemployment income act or law due to the end of employment with Your Employer or payable by insured and uninsured plans or as a result of Your membership or association in any group, union or other organization.

With the exception of retirement payments, or amounts that You receive from a partnership, proprietorship or any similar draws, We will only subtract Deductible Sources of Income which are payable as a result of the same disability.

We will not reduce Your payment by Your Social Security retirement income if Your disability begins after age 65 and You were already receiving Social Security retirement payments.

What Are Not Deductible Sources of Income?

We will not subtract from Your Gross Weekly Benefit the income You receive from:

- 401(k) plans;
- profit sharing plans;
- thrift plans;
- tax sheltered annuities;
- stock ownership plans;
- non-qualified plans of deferred compensation;
- military pension and disability income plans;
- individual retirement accounts (IRA);
- individual disability income plans;
- The Church Pension Fund Clergy Short Term Disability Plan;
- The Episcopal Church Lay Employee's Retirement Plan (Lay DB);
- 457 deferred compensation plans;
- 403(b) Tax sheltered annuity plans;
- retirement benefits from a former employer;
- auto liability insurance policies.

What Happens When You Receive A Cost Of Living Increase From Deductible Sources of Income?

Once We have subtracted any Deductible Sources of Income from Your Gross Weekly Benefit, We will not further reduce Your Weekly Benefit due to a cost of living increase from that source.

What If We Determine You May Qualify For Deductible Income Benefits?

When we determine that you may qualify for benefits in the "Deductible Sources of Income" Section, we will estimate your entitlement to these benefits. We can reduce your weekly benefit by the estimated amounts if such benefits:

- have not been awarded or received; and
- have not been denied; or
- have been denied, and the denial is being appealed, if appeal rights are provided.

Your weekly benefit may NOT be reduced by the estimated amount if you:

- apply for the disability benefits in the "Deductible Sources of Income" Sections, and appeal your denial to all administrative levels we feel are necessary; and
- sign our reimbursement agreement form. This form states that you promise to pay us any overpayment caused by an award of any Deductible Sources of Income.

If your benefit has been reduced by an estimated amount, your benefit will be adjusted when we receive proof:

- of the amount awarded; or
- those benefits have been denied and all appeals we feel are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

Estimating Offsets

When We have a reasonable basis upon which to believe that You will qualify for Social Security or other Government Retirement Plan benefits under standards set forth by the Social Security Administration, We will provide You the following options to offset an overpayment of benefits:

1. Reduced Weekly Benefits

You may receive Weekly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits while a claim for benefits is pending. Aflac NY will adjust Our benefits and will refund any underpayment, in a lump sum, upon receiving proof of:

- the amount actually awarded; or
- the claim denial and completion of any appeal the Company requires.

2. Unreduced Weekly Benefits

You may receive unreduced Weekly Benefits while the claim is pending. You must agree to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. You must sign Our reimbursement agreement form. This form states that You promise to pay Us any overpayment caused by an award **of any Deductible Sources of Income**.

If You do not promptly refund an overpayment:

- We will reduce or eliminate future payments; and
- the Minimum Weekly Benefit will not apply, until the amount is repaid.

We will only offset policy benefits at Your request. You may opt out of Your request to allow Us to estimate these amounts at any time. If You choose to opt out, then We will repay any monies withheld to which You are entitled.

What Happens If You Receive a Lump Sum Payment?

If You receive a lump sum payment from any Deductible Sources of Income, the lump sum will be pro-rated on a weekly basis over the time period for which the sum was given. If no time period is stated, We will use a reasonable one. If any part of the lump sum payment dates back to a prior date it may be allocated on a retroactive basis. We will prorate the lump sum payment over Your remaining benefit period.

What is the Minimum Weekly Benefit?

If Your Weekly Benefit is reduced to zero due to subtracting Deductible Sources of Income, You will receive a Minimum Weekly Benefit. Your Minimum Weekly Benefit is listed on the Schedule of Benefits.

We may apply Your Minimum Weekly Benefit toward any outstanding overpayment.

The Minimum Weekly Benefit will not be paid in any week when Disability Earnings exceed 80% of Your Weekly Earnings. This includes when We average Your Disability Earnings as described above.

WHEN WILL DISABILITY INCOME BENEFITS STOP OR NOT BE PAID?

When Will Disability Income Benefits Stop?

Your claim will end and benefits will stop on the earliest of the following:

- the end of the Maximum Period of Payment;
- the date You are no longer disabled under the terms of the plan;
- the date when You are functionally able to work in Your Regular Occupation on a Part-Time Basis, increase Your hours, or increase the number or type of duties You perform in Your Regular Occupation, but You choose not to;
- if you are working and your weekly disability earnings exceed 80% of your covered weekly earnings;
- the date You fail to submit Proof of continuing disability;
- the date You are incarcerated;
- Your date of death; or
- the date Your Employer, the Policyholder, offers You another or modified job position, which Physicians agree You are able to functionally perform, at a pay rate that exceeds 80% of Your Weekly Earnings.

When Will Disability Income Benefits Not Be Paid?

Disability Income Benefits will not be paid for any period of disability during which You:

- are not following a plan of Regular Care for Your disability, or complications of Your disability. This includes effective treatment for alcoholism or drug abuse, if alcoholism or drug abuse is the cause (or part of the cause of Your disability);
- are not receiving Regular Care;
- refuse to be examined by an independent Physician or a licensed certified health care practitioner as requested by Us when provided at Our expense;
- refuse a Reasonable Accommodation or modification to Your worksite or a job process designed to suit identified medical limitations;
- refuse adaptive equipment or devices that would allow You to perform Your Regular Occupation;
- refuse a transitional work arrangement or other modified work arrangement without Good Cause;
- fail to cooperate with Us in the administration of the claim. Such cooperation includes, but is not limited to providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due; or
- refuse to interview with Our representative about Your disability.

If You become covered under any other group short term disability income plan, You will not be eligible for benefits under this disability income plan.

You or Your Employer must notify Us immediately when You return to work in any capacity.

This delegation is made for the purpose of claims and enrollment administration only. The insurance company is not the Plan Administrator, as defined by ERISA.

We may require You to be examined by one or more Physicians, other medical practitioners, or vocational experts of Our choice. We will pay for this examination. If the policy provides benefits under a plan which is not subject to the Member Retirement Income Security Act of 1974 (ERISA), the following provisions apply.

Claims Procedures

We will give You notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if We determine that such an extension is necessary due to matters beyond the control of the Plan and We notify You of the circumstances requiring the extension of time and the date by which We expect to render a decision. If such an extension is necessary due to Your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and You will be afforded at least 45 days within which to provide the specified information. If You deliver the requested information within the time specified, any 30-day extension period will begin after You have provided that information. If You fail to deliver the requested information within the time specified, the decision will be made with the information we have in the file.

Adverse Benefit Determination

An adverse benefit determination means a denial, a reduction, a termination or rescission of coverage, or a failure to provide or make payment for a benefit. The appeal will be reviewed, and a determination notice will be sent within 45 days of receiving the appeal. Sometimes, it will take longer to review the appeal because additional information is needed to make a decision. If this happens, within 45-days, We will let You know that an extension is necessary and the reason for the extension.

The appeal will be reviewed by someone who did not make the initial decision. This reviewer will look at all the information submitted and may consult with a qualified medical professional. The appeal reviewer will not give consideration to the initial decision. The appeal reviewer will review the evidence and the rationale that was included when the benefit was first denied.
