Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services

Coverage Period: 01/01/2025 – 12/31/2025 Coverage for: All tiers | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.cpg.org/mtdocs or call (800) 480-9967. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cpg.org/uniform-glossary or call (800) 480-9967 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network: \$3,500 Individual / \$7,000 Family Out-of-Network: \$7,000 Individual / \$14,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible. The network and out-of-network <u>deductibles</u> accumulate separately.
Are there services covered before you meet your deductible?	Yes, for example, network preventive care and certain telehealth services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of preventive services at healthcare.gov/coverage/preventive-care-benefits.**
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Network: \$6,000 Individual / \$12,000 Family Out-of-Network: \$10,000 Individual / \$20,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. The network and out-of-network <u>out-of-pocket limits</u> accumulate separately.
What is not included in the out-of-pocket limit?	Contributions, (premiums), balance-billing charges, penalties, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.mycigna.com or call (800) 244-6224 for a list of network providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

Telehealth Services: The Medical Trust intends to waive all <u>copays</u>, <u>deductibles</u>, and <u>coinsurance</u> for all telehealth services received through Quantum Health's telehealth platform, Teladoc, if permitted by law. The Medical Trust will also allow claims for virtual visits with <u>network</u> and <u>out-of-network providers</u> who do not use Teladoc through Quantum Health, but standard <u>deductibles</u>, <u>copays</u>, and <u>coinsurance</u> will apply.

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements². Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your <u>plan</u> for a denial of a <u>claim</u>. This complaint is called a <u>grievance</u> or <u>appeal</u>. For more information about your rights, look at the explanation of benefits you will receive for that medical <u>claim</u>. Your <u>plan</u> documents also provide complete information on how to submit a <u>claim</u>, <u>appeal</u>, or a <u>grievance</u> for any reason to your <u>plan</u>. For more information about your rights, this notice, or assistance, contact Cigna or Express Scripts, as appropriate.
